Dear Mr. Taylor:

Thank you for your letter and for the accompanying postcards signed by petitioners regarding an application for a gravel pit near Thamesford. I appreciate your taking the time to write to me about your concerns and to share those of your community.

My colleagues in the Ontario government and I continue to echo our belief that strong environmental protection is the foundation of the high quality of life and sustainable economic growth of our province. That is why it is a priority of this government. We understand that all Ontarians deserve to live and work in clean, safe communities in which the environment contributes to our health and well-being.

As the issue you have raised would best be addressed by the Honourable Donna Cansfield, Minister of Natural Resources, I have passed along a copy of your letter to her so that she or a member of her staff can respond to you directly.

Thanks again for contacting me. Please accept my best wishes.

Yours truly,

A handwritten signature in black ink that reads "Dalton McGuinty".

Dalton McGuinty
Premier
