ESSENTIAL HEALTH

WHAT ARE THE 8 STEPS TO HEALTH?

N • E • W • S • T • A • R • T

Whether it's the law of gravity or motion, everything is bound by a standard or set of principles to function properly.

NUTRITION - fuel your body with clean foods

EXERCISE - lack of exercise leads to body decay

WATER - dehydration leads to constipation, H.B.P., kidney failure

SUNLIGHT - on the body it calms the nerves and releases Serotonin (a hormone) from the brain -boosting your mind, regulates your appetite, digestion, sleep and memory.

TEMPERANCE - (self-control) - the cause of many lifestyle diseases is the lack of self-control ex. overeating leads to obesity.

AIR (Pure) - our lungs utilize that oxygen to clean our blood and our brain to receive pure thought, reduces risk factor of stroke.

REST - be consistent with the time you sleep daily, overwork, late hours will not help for proper rest.

TRUST IN GOD - the foundation of health, opposite is stress, depression and weakening of our vital life force.

SALFORD LEISURE CLUB

It was a reminder of Christmas long ago, when we gathered around the table at Grandma's for a wonderful Christmas dinner, when 26 Leisure Club members & guests were served a delicious turkey dinner at Reynolds Creek United Church. Appetizers, punch & sweet treats in the afternoon were also served. The cooking talents of the ladies of Putnam Church are much appreciated by our group. Immediately following the dinner, "Dan the Countryman", a singer & entertainer took charge of the floor, danced & sang many rocking Christmas songs while keeping us laughing with his funny one liners & jokes. Special thanks to Corrie & Willa Van Amelesfort for arranging the program and to Irene Hansford & Joyce Pavey for co-ordinating the dinner. There was still plenty of time in the afternoon for several rounds of euchre & the crokinole board was kept busy as well. We will be back Jan 9 for shuffleboard and begin 2019 with another year of activities with our friends. Happy New Year one & all.

MT ELGIN UNITED CHURCH

Happy New Year! It's time for a fresh new calendar. It's time to pack away the Christmas decorations & the tired old year, and step into something so new it still sparkles, so new anything is possible. Now I don't know how you feel about resolutions. Maybe you have a list of them posted on your fridge & you can't wait to fulfill them all, or maybe you are still too tired from 2018 to imagine trying to do anything more right now. But if you are open to a suggestion for 2019, then what about making this the year we smile at one another more often. That's it, just smile at each other. Smile at the people you see when you are walking. Smile at the people you pass in the grocery store. Smile at the kids looking bored, the mother looking flustered, the person at the drive through window, teachers in the hallway & the person who holds a door open for you. Smile at friends & strangers, kids & seniors, people who look like you & those who don't. At first it may feel really weird. Your face may even hurt a little. But if you keep at it, you will start to notice how others are responding. Sure some may give you a strange look, but most people are first surprized & then delighted to have someone smile at them. With practice you may find you can also make eye contact, you might feel tempted to throw in the occasional wave, and maybe even say something like "Hi", "Thank you" or "Nice Day". If you watch, you might notice that many people will smile in return, and as their smile lingers for a minute, they look a bit more relaxed, more engaged, more alive. And you will also feel good because with the gift of a smile, we connect for a brief moment with each other & acknowledge those who share this time & space with us. Our smiles tell people that we see them as individuals worthy of being noticed, worthy of basic human kindness & decency. With a smile, we tell each other, "you matter." And that is a message that can make any day sparkle. May 2019 be filled with smiles given & received. Peace be with you. Join us at Mt. Elgin United Church for Sunday worship at 10am. Parents & Tots meets Wed 10-11:30am and Thursdays we play cards from 1-3pm. For more information check out our website, Facebook page or email mtelginuc@gmail.com or call 519-425-2091.

CHURCH IN YOUR HOUSE

Participatory, one anothering ministry as a "church in your house" is the New Testament way! We've been meeting around the Lord Jesus in homes for 18 years. We pray that there will eventually be such gatherings within walking distance of everyone in the County. We love to encourage Christians to be the church in your home!
